Thursday last, January 3d, the feast of Ste. Genevieve, the patron saint of Ste. Genevieve Church, was duly honored in that sacred edifice by a Solemn High Mass, celebrated at 10 o'clock a.m. Three low masses had previously been celebrated during the forenoon. At the high mass the following clergy were officiating: Rev. E. J. Wyman of St. Mary, Colebrant; Rev. A. J. Hutter, of Weingarten; Deacon; Rev. F. Schulte, of River aux Vase; Subdeacon; and Rev. C. Van Tourenhout, Master of Ceremonies. At the close of the first gospel, Rev. C. Van Tourenhout, the new assistant pastor, ascended the pulpit and delivered an interesting sermon on the saintly character of Ste. Genevieve, whose feast day was being commemorated. Only the Church of Christ, he said, could bring forth such saints as Ste. Genevieve and thousands of others. "Now world, said not your saint, because in the kingdom of the world there was no faith in a supernatural Being, no hope of a future life and no true Christian charity. In concluding his eloquent discourse, the reverend gentleman mentioned his hearers that the best way to honor Ste. Genevieve was to imitate her virtues. At the conclusion of the mass, a sermon in the German language was delivered by Rev. F. Schulte, pastor of River aux Vase Church. He dwelt on the necessity of true penance and thorough conversion in order to attain the glory of Ste. Genevieve and proceeded to explain the nature of this thorough conversion. It is to be known by its signs, which are, shunning the occasions of sin, separation for the evils inflicted by sinful conduct in the past, and various other external indications of a reformation of character. In conclusion, he wished that Ste. Genevieve's her powerful intercession might obtain for all his auditors the grace to attain this true conversion. In the afternoon Vespers were sung by Rev. A. J. Hutter, pastor of Weingarten Church. The altars during all the services were beautifully illuminated. The choir rendered Mozart's Twelfth Mass in an able manner.
